Response filed on February 20, 2004. Essentially, the undersigned argued that that all of the pending claims are directed to a common species.

Examiner Smith upon consideration agreed that the Election of Species requirement mailed January 9, 2004 and the Office Action mailed May 21, 2004 were both improper and has vacated both. Accordingly, Applicants are under no further duty to respond to such papers.

Applicants respectfully request further examination promptly, and a Notice of Allowability in due course.

Respectfully submitted,
